University of Toronto  
Faculty of Applied Science & Engineering  

APPLICATION FOR FIRST-YEAR  
SUMMER RESEARCH FELLOWSHIPS  

DEADLINE: **MONDAY, MARCH 18, 2019, 9 a.m.**

**PROGRAM INFORMATION AND ELIGIBILITY REQUIREMENTS**

To support first-year students within the Faculty to gain summer (May – August) experience in a research setting, the Faculty is now offering up to eight First-Year Summer Research Fellowships. The value of each Fellowship is $7000, and further funding is at the discretion of the faculty supervisor.

These positions are open to students in year one of Engineering Science, TrackOne, or any of the Core 8 programs. The fellowships are open to Canadian citizens, permanent residents or visa students. Visa students are responsible for ensuring that they have the necessary clearances and permission from immigration authorities to undertake summer research positions. Students are responsible for finding a potential faculty supervisor.

**APPLICATION MATERIALS**

In order to apply for the First-Year Summer Research Fellowship, your application package must include the following:

- **Application Form** – Personal information
- **Academic History** – Unofficial print-out from ACORN
- **Statement of Personal Research Interests**
- **Project Description** (provided by the research supervisor)

Each application must be submitted as a single PDF document to firstyr@ecf.utoronto.ca, before the deadline of the morning of **Monday, March 18, 2019, at 9 AM.**
