The Faculty of Applied Science and Engineering is hiring 1 Special Development TA to support the development and creation of course material for Calculus II - MAT187 to support its move to a more active-learning environment. The course begins on January 2020, and it is expected that this development work will start immediately.

**MAT187 Special Development Job Duties Description:**
The course consists of 21 modules/chapters. Based on a template created by the course coordinator, the TA would build the remaining 20 modules in alignment with this template. The TA would be provided with the 2019 resources, distributed over several sources, and would then build this content in a Quercus sandbox course. Est. enrolment: 800 in preparation for service in Winter 2020.

**Skills and Qualifications:** The ideal candidate would be familiar with MAT187 and its content, would have preferably already worked as a TA in the course or similar first-year calculus II courses, and would already have some familiarity with Quercus.

**How to Apply:** Candidates are asked to submit, as ONE PDF document:

1. You must include the Job Title: “MAT 187 Special development” in the subject line of your email
2. Their cover letter,
3. Their CV,
4. A 1-page well-communicated statement of how their interest and experience directly relate to the needs of the job. Demonstrated excellence in teaching/supporting first-year students is an asset.
5. Please Indicate which group you are currently enrolled as, Undergraduate, Masters, PhD or Postdoctoral Fellow with the university of Toronto

One Teaching Assistant positions is available for MAT187, from May 13th to August 31st. The contract will be for a minimum of 60 hours, at the rate of $45.33 per hour, plus 4% vacation pay. We thank all applicants for their interest; only shortlisted candidates will be contacted.

Please email completed application package to fyjobs@ecf.utoronto.ca

The application deadline is, May 7th, 9 AM, 2019.
Posting Date: May 1st, 2019.

*If during the application and/or selection process you require accommodation due to a disability, please contact fyjobs@ecf.utoronto.ca*
The University of Toronto is strongly committed to diversity within its community and especially welcomes applications from racialized persons / persons of colour, women, Indigenous / Aboriginal People of North America, persons with disabilities, LGBTQ persons, and others who may contribute to the further diversification of ideas.

This job is posted in accordance with the CUPE 3902 Unit 1 Collective Agreement. The Departmental Hiring Policy is available in the Department office and in the CUPE Local 3902 office.
