Job Posting – Course Instructor APS106S
Winter Term 2020
CUPE 3902 Unit-1
Emergency Posting

The Faculty of Applied Science and Engineering at the University of Toronto seeks one Course Lecturer for the APS106: Fundamentals of Computer Programming course from January 06 – April 30, 2020.

Topics include: An introduction to computer systems and software. Topics include the representation of information, algorithms, programming languages, operating systems and software engineering. Emphasis is on the design of algorithms and their implementation in software. Students will develop a competency in the Python programming language. Laboratory exercises will explore the concepts of both Structure-based and Object-Oriented programming using examples drawn from mathematics and engineering applications.

Qualifications
Applicants should have a strong record of presenting lectures or acting as a teaching assistant. Applicants must be able to demonstrate considerable depth of knowledge and experience in the subject area. The applicant must be able to lecture in a clear voice, and explain concepts clearly. Please note that applicants should have excellent communication skills in English – both oral and written work. Professional Engineer (P.Eng.) license or Engineering Intern (EIT) registration required. Successful candidate will be reimbursed for the EIT registration fee.

Duties include: Preparation of lecture and course materials, delivery of lectures, providing scheduled office hours for students, setting assignments, midterm, and final exam, coordinating the work of the course teaching assistants, grading final examination papers.

Lecture schedule: MONDAY 09:00-10:00   WEDNESDAY 09:00-10:00   FRIDAY 11:00-12:00

Estimated Course Enrolment: 400 students

Rate of Pay:
As of January 1, 2020 is $7,903.04 (per half course excludes vacation pay). Please note that should rates stipulated in the collective agreement vary from rates stated in this posting, the rates stated in the collective agreement shall prevail.

Final availability of the position is contingent upon enrolment, budgetary consideration and the determination of appointments as governed by the collective agreement.

Application Process:
Candidates are asked to submit, as ONE PDF document, the following:

1. 1-page Cover letter;
2. Curriculum Vitae;
3. A summary that demonstrates your experience, interest and/or excellence in teaching (maximum 1 page).
Submit application online via:

The application deadline is December 03, 9:00 AM, 2019.
Posting Date: November 25, 2019.

If during the application and/or selection process you require accommodation due to a disability, fyjobs@engineering.utoronto.ca

The University of Toronto is strongly committed to diversity within its community and especially welcomes applications from racialized persons / persons of colour, women, Indigenous / Aboriginal People of North America, persons with disabilities, LGBTQ persons, and others who may contribute to the further diversification of ideas.
This job is posted in accordance with the CUPE 3902 Unit 1 Collective Agreement. The Departmental Hiring Policy is available in the Department office and in the CUPE Local 3902 office.
