Class of 3T5 Second Mile Award Application

The Class of 3T5 Second Mile Award is awarded to an individual not only for what they may have already done, but also why they did it. Annually, the award is given to an individual based on a combination of what they accomplished during their undergraduate years and what the Selection Committee thinks the individual will accomplish in their post-graduation life.

Each submission is reviewed by the Class of 3T5 Second Mile Award Selection Committee. Applications are graded by academic ability (30%), athletic and/or extra-curricular (“second mile”) activities (30%), essay or thoughts on “going the second mile” (30%) and personal attributes (10%).
