FACULTY OF APPLIED SCIENCE & ENGINEERING

First Year Program, Faculty of Applied Science & Engineering
MAT187H1S – Calculus II Winter 2023
CUPE 3902 Unit 1

The Faculty of Applied Science and Engineering is hiring **one** tutorial coordinator teaching assistant within the First Year Program for the term beginning January 2023. This position will be primarily responsible for supporting the delivery of the tutorials for the following course:

MAT187H1S Course Description: Topics include: techniques of integration, an introduction to mathematical modeling with differential equations, infinite sequences and series, Taylor series, parametric and polar curves, vector-valued functions, partial differentiation, and application to mechanics and other engineering problems. Estimated Enrollment: 856

Duties: The teaching assistant will work directly with the course coordinator, and Vice-Dean, First Year in order to: (a) Coordinate the tutorial delivery and content through weekly meetings with the teaching assistant teams, (b) Identify ways in which these courses can be connected to the other courses within the first-year program, (c) Facilitate student feedback relating to the tutorials, (d) Support the administration and organization of these courses, and (e) Support the use of effective teaching methods within the program.

Skills and Qualifications: Previous experience is the more relevant criterion than the need to acquire experience in respect of this posted position. The successful applicant should demonstrate prior experience working as a TA at U of T or other institutions, and have a clear interest in teaching. Prior experience with working as a TA within the first year program and engineering mathematics courses is an asset.

One tutorial coordinator position is available for **MAT187, from January 2, 2023 to April 30th 2023**. The contract will be for **50 hours, at the rate of \$47.64 per hour, plus 4% vacation pay**.

How to Apply: Candidates are asked to submit, as ONE PDF document:

1. 1-page Cover letter that highlights why you are interested in this tutorial coordinator position
2. Curriculum Vitae;
3. A summary that demonstrates your experience, interest and/or excellence in teaching (maximum 1 page).

The course and duties will be offered in-person (or a hybrid of online/in-person), the final decision about the delivery will be made/communicated by the University at a later date.

The Faculty of Applied Science & Engineering and First Year Office thanks all applicants for their interest; however, only those candidates considered for the position will be contacted.
