APS100 – Orientation to Engineering
Posting for Undergraduate Teaching Assistants
CUPE 3902 Unit 1
Fall 2024

The First Year Program in the Faculty of Applied Science & Engineering will be hiring a team of undergraduate (3rd and 4th Year) Teaching Assistants to support APS100: Orientation to Engineering Course in the Fall 2024 term (Sept. 1, 2024– Dec. 30, 2024). These positions will be responsible for supporting the delivery of tutorials for this course and acting as student mentors for the first year students. At least **30 positions available**.

APS100H1F – Orientation to Engineering: This course is designed to help students transition into first-year engineering studies and to develop and apply a greater understanding of the academic learning environment, the field of engineering, professionalism and considerations of engineering ethics and equity, and how the fundamental mathematics and sciences are used in an engineering context. Topics covered include: study skills, time management, problem solving, professionalism, engineering ethics and equity, and applications of math and science in engineering. Estimated Enrollment: ~1100.

The contracts will be for at least **40 hours, at the rate of \$47.64 per hour, plus 4% vacation pay**.

Important Skills: Demonstrated ability to manage academic requirements and extra-curricular involvement. Experience with facilitation or leading activities in a learning environment or camp is a strong asset. Ability to make connections, encourage and motivate others, and model appropriate behaviour. The need to acquire experience is the more relevant criterion than previous experience in respect of this posted position.

Qualifications: Must be enrolled as an undergraduate student in their 3rd or 4th year of a Core 8 program. Must have a cumulative GPA of 2.7 or have demonstrated significant academic improvement throughout their undergraduate degree. Prior experience being a mentor or teacher will be considered an asset. Students away at a PEY placement for the 2024 Fall term or students who completed first year in the Engineering Science program are not eligible. Completion of the [U of T Tutor Training Program \(UT3\)](#) is an asset.

Duties: These teaching assistants will work directly with the course coordinator, the Vice Dean, First Year and the First Year Office in order to: facilitate course material and create positive learning communities within the first year Core 8 program. 8 hours of mandatory training for the course will take place at the end of August/beginning of September.
