

UNIVERSITY OF TORONTO  
FACULTY OF APPLIED SCIENCE & ENGINEERING

First Year Program, Faculty of Applied Science & Engineering  
Posting-MAT188H1F– Linear Algebra  
Numeric Computation Laboratory Teaching Assistants  
Fall 2025

The First Year Program in the Faculty of Applied Science & Engineering will be hiring **at least fourteen (14)** Laboratory Teaching Assistants to support the Numeric Computation Component of MAT188H1F: Linear Algebra in the Fall 2025 term (September 1, 2025 – December 31, 2025). These positions will be responsible for supporting the computational skill development in the course. A portion of the labs will support the use of software such as MATLAB, Mathematica, or similar other packages towards development of technology assisted computational literacy.

**MAT188H1F – Linear Algebra:** This course covers systems of linear equations and Gaussian elimination, applications; vectors in  $\mathbb{R}^n$ , independent sets and spanning sets; linear transformations, matrices, inverses; subspaces in  $\mathbb{R}^n$ , basis and dimension; determinants; eigenvalues and diagonalization; systems of differential equations; dot products and orthogonal sets in  $\mathbb{R}^n$ ; projections and the Gram-Schmidt process; diagonalizing symmetric matrices; least squares approximation. Includes an introduction to numeric computation in a weekly laboratory. Estimated Enrollment: 1050

The contracts will be for at least **63.5 hours, at the rate of \$52.97 per hour, plus 4% vacation pay. Includes 3.5 hours of exam invigilation during the exam period (December).**

**Qualifications:** Previous experience is the more relevant criterion than the need to acquire experience in respect of this posted position. Strong background in linear algebra is required. Experience with MATLAB or similar computational software is required. Prior experience with working as a TA within the first year program and engineering mathematics courses is an asset.

**Duties:** These teaching assistants will work directly with the course coordinator and the laboratory coordinator in order to: (a) Support students to complete their weekly one-hour numeric computation laboratory exercises, (b) Help students develop a basic ability to use MATLAB Or similar software or packages to solve mathematical, scientific, and engineering problems, (c) See how numeric computation can be used in their other first-year courses and (d) Assess students' computational mastery" to better fit the TAs duty. **Includes 3.5 hours of exam invigilation during the exam period (December).**

How to Apply:

Candidates are asked to submit, **as ONE PDF document**, the following:

1. 1-page Cover letter;
2. Curriculum Vitae;
3. A summary that demonstrates your experience, interest and/or excellence in teaching (maximum 1 page).

The Faculty of Applied Science & Engineering and First Year Office thanks all applicants for their interest; however, only those candidates considered for the position will be contacted.

**Submit application online via:**

<https://tams.fase.utoronto.ca/TamsPortal/posting/115>

**The application deadline is May 28, 12:00 noon EST, 2025.**

**Posting Date: May 07, 2025.**

If during the application and/or selection process you require accommodation due to a disability, please Contact : [fyjobs@engineering.utoronto.ca](mailto:fyjobs@engineering.utoronto.ca)

The University strives to be an equitable and inclusive community, and proactively seeks to increase diversity among its community members. Our values regarding equity and diversity are linked with our unwavering commitment to excellence in the pursuit of our academic mission. The University is committed to the principles of the Accessibility for Ontarians with Disabilities Act (AODA). As such, we strive to make our recruitment, assessment and selection processes as accessible as possible and provide accommodations as required for applicants with disabilities. If you require any accommodations at any point during the application and hiring process, please contact [uoft.careers@utoronto.ca](mailto:uoft.careers@utoronto.ca). During employment, to request accommodation from the University, contact the supervisor or department chair and/or Health & Wellbeing Programs & Services at [hwb@utoronto.ca](mailto:hwb@utoronto.ca). For more information about accommodations at U of T, please visit our [Accommodation webpage](#).

The hiring criteria for Teaching Assistant positions are academic qualifications, the need to acquire experience, previous experience and previous satisfactory employment under the provisions of this Collective Agreement.

Candidates who are members of Indigenous, Black, racialized and LGBTQ2S+ communities, persons with disabilities, and other equity seeking groups are encouraged to apply, and their lived experience shall be taken into consideration as applicable to the position.

The University of Toronto is strongly committed to diversity within its community and especially welcomes applications from racialized persons / persons of colour, women, Indigenous / Aboriginal People of North America, persons with disabilities, LGBTQ2S+ persons, and others who may contribute to the further diversification of ideas.

This job is posted in accordance with the CUPE 3902 Unit 1 Collective Agreement.

The position(s) posted above is (are) tentative, pending final course determinations and enrolments. Positions posted here are open to Graduate Students in the School of Graduate Studies, Postdoctoral Fellows and Undergraduate Students in the University of Toronto.

Preference in hiring shall be given to Graduate Students enrolled in the School of Graduate Studies of the University of Toronto or those who have made application to be enrolled in the School of Graduate Studies of the University of Toronto.
