

**Job Posting – CUPE 3902 Unit 1**  
**Course Instructor**  
**Emergency Posting**  
**APS 162H1S – Calculus for Engineers I, Summer 2026**

This online-only course focuses on the fundamental tools of calculus and its connections to engineering. The topics include limits, differentiation, graphing, optimization problems, and definite and indefinite integrals. Problems combining calculus with geometry, linear algebra, statics, and mechanics will be examined.

The Faculty of Applied Science and Engineering at the University of Toronto seeks **one Course Instructor** for the APS 162, from July 1 to September 30, 2026

### Qualifications

An undergraduate degree in mathematics or engineering is required, and a strong background in teaching mathematics to first-year engineering students is preferred. Experience with teaching in the online environment is a strong asset.

Previous experience is the more relevant criterion than the need to acquire experience in respect of this posted position. Previous teaching experience in APS162 Summer Terms is strongly preferred.

### Duties

- Delivering the lectures and tutorials (with Teaching Assistant support) throughout the Summer S term (Dates of Appointment: July 1 – September 30, 2026)
- Providing scheduled office hours for students
- Setting assignments, midterm, and final exam
- Coordinating the work of the course teaching assistants
- Grading final examination paper

**Anticipated Enrolment:** 150 students

**Rate of Pay:** \$9,442.98 (excluding vacation pay) How to Apply:

Candidates are asked to submit, **as ONE PDF document**, the following

1. -page Cover letter;
2. Curriculum Vitae;
3. A summary that demonstrates your experience, interest and/or excellence in teaching (maximum 1 page).

**Submit application to : [fyjobs@engineering.utoronto.ca](mailto:fyjobs@engineering.utoronto.ca)**

---

### FIRST YEAR OFFICE

**The application deadline is April 17, 5:00 PM EST, 2026.**

**Posting Date: April 15, 2026.**

If during the application and/or selection process you require accommodation due to a disability, please Contact : [fjobs@engineering.utoronto.ca](mailto:fjobs@engineering.utoronto.ca)

The University strives to be an equitable and inclusive community, and proactively seeks to increase diversity among its community members. Our values regarding equity and diversity are linked with our unwavering commitment to excellence in the pursuit of our academic mission. The University is committed to the principles of the Accessibility for Ontarians with Disabilities Act (AODA). As such, we strive to make our recruitment, assessment and selection processes as accessible as possible and provide accommodations as required for applicants with disabilities. If you require any accommodations at any point during the application and hiring process, please contact [uoft.careers@utoronto.ca](mailto:uoft.careers@utoronto.ca). During employment, to request accommodation from the University, contact the supervisor or department chair and/or Health & Wellbeing Programs & Services at [hwb@utoronto.ca](mailto:hwb@utoronto.ca). For more information about accommodations at U of T, please visit our [Accommodation webpage](#).

The hiring criteria for Teaching Assistant positions are academic qualifications, the need to acquire experience, previous experience and previous satisfactory employment under the provisions of this Collective Agreement.

Candidates who are members of Indigenous, Black, racialized and LGBTQ2S+ communities, persons with disabilities, and other equity seeking groups are encouraged to apply, and their lived experience shall be taken into consideration as applicable to the position.

The University of Toronto is strongly committed to diversity within its community and especially welcomes applications from racialized persons / persons of colour, women, Indigenous / Aboriginal

People of North America, persons with disabilities, LGBTQ2S+ persons, and others who may contribute to the further diversification of ideas.

This job is posted in accordance with the CUPE 3902 Unit 1 Collective Agreement.

The position(s) posted above is (are) tentative, pending final course determinations and enrolments. Positions posted here are open to Graduate Students in the School of Graduate Studies, Postdoctoral Fellows and Undergraduate Students in the University of Toronto.

Preference in hiring shall be given to Graduate Students enrolled in the School of Graduate Studies of the University of Toronto or those who have made application to be enrolled in the School of Graduate Studies of the University of Toronto.
